VSP

- ^{‡‡}Benefit includes coverage for glasses or contact lenses, not both.
- ** For the discount to apply your purchase must be made within 12 months of the eye exam.
- Charges for an initial purchase can be used toward the material allowance. Any unused balance remaining after the initial purchase cannot be banked for future use. The only exception would be if a member purchases contact lenses from an out of network provider, members can use the balance towards additional contact lenses within the same benefit period.

- ¹Extra \$20 on select brands
- ~~†††~~ The VSP system considers contact lenses to be the equivalent of a full pair of eyeglasses (lenses and frames) so while the member can obtain contact lenses one year and standard eyeglass lenses the next year, the frames benefit would not be available until 24 months or two calendar years, depending on the plan design, after the date the member obtained the contact lenses.
